Total	\$28,229.55	\$13,674.05	\$14,555.50

NB: Bowdoin's account system updates slowly and often experiences a delay of about a month. This is an accurate report based on what reported from August through December 2008, but expenditures from December and even November may not yet be reflected in the report.

Report compiled by John Connolly, Vice President for Student Government Affairs. For more information, please contact him at jconnoll@bowdoin.edu or contact the BSG at bsg@bowdoin.edu.

*The movie tickets, which are sold at a loss of \$2/ticket, show in the negative because while the full expense of purchasing the tickets has been incurred, not all the ticket sales are reflected here.
